

HamiltonAnderson

Position: Landscape Architect I, II

Years Experience: 4-7

HamiltonAnderson is an award winning Architecture, Landscape Architecture and Urban Design firm located in Detroit, MI. HAA has worked on projects ranging from small urban parks to large regional master plans and we are currently looking to expand our site studio.

We are seeking a hardworking talented designer to assist in the preparation of site design documentation, graphics, master planning and site development plans, planting plans and construction documents.

Interested applicants should be highly motivated and self-sufficient, able to work in a team environment and have a passion for design and the urban environment. Applicants should have strong graphic capabilities and communication skills.

Skills / Requirements:

- Bachelor or Master Degree in Landscape Architecture
- Demonstrated excellence in landscape architecture and urban design
- Ability to lead projects and consultant teams
- Registration or working towards registration
- Proficiency throughout the design process from concept to construction
- Ability to manage project teams and expenses
- Proficient designer with excellent graphic abilities
- Proficiency with AutoCAD and Adobe Creative Suite
- Proficiency with SketchUp, Lumion or other 3d Graphic modeling software desired
- Proficiency with regional plant material and landscape plans is highly desired.
